MALAYSIA

Situated in the heart of Southeast Asia, Malaysia is a vibrant destination with a diversity of cultures and traditions. This tropical paradise boasts pristine jungles and verdant national parks that are teeming with numerous species of birds and wildlife. Malaysia's sun-drenched islands and beaches are home to a stunning range of marine life. Its natural wealth is complemented by magnificent modern landmarks and heritage buildings. There is something to charm every visitor, be it a history-lover, nature-enthusiast, sun-seeker or an avid shopper. Explore the length and breadth of the country to discover the many attractions of Malaysia!

Putrajaya

Hailed as the "Intelligent Garden City", Putrajaya is the futuristic administrative capital of the country. It is situated within the Multimedia Super Corridor, about 25km to the south of Kuala Lumpur and 20km to the north of Kuala Lumpur International Airport (KLIA). The city comprises a 400 metre man-made lake, aesthetically designed bridges, parks, wetlands, government offices as well as public amenities. Putrajaya is a symbol of Malaysia's dynamism and progress. Putrajaya was named in honour of the country's first Prime Minister, Tunku Abdul Rahman Putra Al-Haj. The word 'Putra' means prince while 'Jaya' means excellence or success.

Shopping

Putrajaya offers an interesting shopping experience. The main mall is Alamanda Putrajaya, which is situated in Precinct 1. It is the premier venue for shopping, dining and entertainment. Alamanda Putrajaya has over 150 tenants that are spread over two levels, making it easy for shoppers to move around the mall seamlessly. Anchor tenants are Parkson and Aeon Big. The Souq (situated at the Lower Level of the Putra Mosque) recreates the exotic experience of shopping in Persia. For a uniquely Malaysian experience, visit the numerous bazaars in Putrajaya. Some bazaars are held in public areas, while others are held in the vicinity of the government offices. Expect to find everything from food, fresh fruits to bags, accessories and clothes.

Dining

From alfresco eateries to air-conditioned restaurants, visitors are assured of a great variety of dining experiences. For a taste of local food, look out for the Selera Putra Food Court and the Food Court at Precinct 8. To dine amidst a beautiful view, visit the Lake Garden Café, Putrajaya Lake Club and Marina Putrajaya. More dining is available in Galleria PJH, Selera Laman Perdana Precinct 1, Ayer@8 in Promenade, Precinct 8 and Alamanda Putrajaya.

Getting There

Putrajaya is situated about 28km from Kuala Lumpur and is easily accessible by road or train. The state-of-the-art KLIA Transit train provides easy access to Putrajaya from the KL Sentral Station (the city's transport hub). Visitors can also board the train from the Kuala Lumpur International Airport (KLIA) and KLIA 2 (the main entry points to Malaysia). The trains operate daily from 4.30am until midnight. From KL Sentral, the journey takes only 20 minutes with one stop along the way; at Bandar Tasik Selatan. From KLIA, the distance to Putrajaya/Cyberjaya is about 15 minutes. Visitors who are driving can use the Maju Expressway (MEX Highway) which connects Putrajaya to Kuala Lumpur. The journey takes less than one hour. Alternatively, RapidKL buses provide frequent services to the city.

Getting Around

Nadi Putra buses ply almost every part of Putrajaya. The buses operate from Putrajaya Sentral, the main transport hub. Park and drive facilities are also available here. Alternatively, visitors can take a taxi from Putrajaya Sentral. Day tours are also available from Putrajaya Sentral.

1A,B PUTRAJAYA WETLAND

Putrajaya Wetland is the first man-made wetland in Malaysia and the largest constructed freshwater wetland in the tropics. It is divided into two parts, Taman Wetland and a Lake Recreational Centre. Home to plants, invertebrates, frogs, reptiles, fish and water birds, the wetland is a must-see attraction for nature lovers and environmentalists. Don't miss the Lookout Tower, Nature Interpretive Centre, nature trails and flamingo ponds.
Tel: 03 8873 1364 (Main Park)

5 MOROCCAN PAVILION

Located within the Botanical Gardens, the Moroccan Pavilion is designed to showcase the rich arts and architecture of Morocco. The master plan follows the Moroccan tradition of movement from the public to private realms through gardens. The water channel was designed to represent the link between the countries of Morocco and Malaysia.

9 CRUISE TASIK PUTRAJAYA (LAKE CRUISE)

Visitors can embark on a leisurely cruise to take in the breathtaking sight of the city's landmarks. Two different modes of transportation are available, a passenger cruise boat, or gondola-like vessels that resemble a traditional Malay perahu. Daun is a luxury dining cruise boat that comes with the trimmings of a five-star restaurant, so passengers can dine in style while enjoying the view.

13 MILLENNIUM MONUMENT

Standing at 68m, this monument makes a commanding sight. It rises majestically from a 25-hectare park in Precinct 2. Constructed of solid metal, this national monument is uniquely shaped like an obelisk with etchings denoting important milestones and periods in the nation's history. At night, it serves as a beacon with lights projected at 360 degrees. It is visible from various locations in Putrajaya.

17 PUTRAJAYA WATER SPORTS COMPLEX

Putrajaya's popularity among water sports enthusiasts can be attributed to the modern sporting facilities that are readily available here. One fine example is the Putrajaya Water Sports Complex which offers an array of water activities, from jet-skiing, waterskiing and wakeboarding to kayaking. Fully equipped to host international events, the complex also provides a wide range of equipment and support services.

2 SERI PERDANA

Seri Perdana is the official residence of the Prime Minister of Malaysia. Located on 42.5 acres of undulating and beautifully landscaped grounds, the building complex consists of three blocks with reception, banquet and residential facilities.

6 PERDANA PUTRA

With its distinctive green dome, the Prime Minister's Department Complex has become an icon in Putrajaya. Built in 1997, the complex houses the offices of the Prime Minister, his Deputy as well as several other government departments and agencies. The complex incorporates various architectural influences, including European, Islamic and traditional Malay.

10 PUTRA BRIDGE

One of the main bridges in Putrajaya, the Putra Bridge is 435m long, connecting Precincts 1 and 2. The upper level of the bridge forms part of the Boulevard, or the main street in the capital. Its design is inspired by the Islamic architecture of the famous Khaju Bridge in Isfahan, Iran. Its attractions include the four minaret-like piers complete with observation decks that overlook Lake Putrajaya.

14 MASJID TUANKU MIZAN ZAINAL ABIDIN / MASJID BESI (TUANKU MIZAN ZAINAL ABIDIN MOSQUE)

Located in Precinct 3 opposite the Palace of Justice, this is the second principal mosque in Putrajaya. It was officially opened by the 13th Yang di-Pertuan Agong or King of Malaysia, Tuanku Mizan Zainal Abidin, in 2010. Built to accommodate 24,000 worshippers, the mosque employs "architectural wire mesh" and fine glass to create the illusion of a silvery white metallic structure.

18 SERI GEMILANG BRIDGE

This ceremonial bridge connects the Heritage Square with the Putrajaya International Convention Centre. Spanning nearly 233m in length, the bridge is one of the most popular spots for photography in Putrajaya. The most dominant feature of the bridge is its four distinctive towers which are visible from a distance. Specially designed street lamps light up the bridge at night.

3 TAMAN BOTANI (BOTANICAL GARDEN)

Spread over an area of 92ha, this is the largest botanical garden in Malaysia. It is divided into three sections, namely flowers, ornamental plants as well as preservation/research. More than 700 species of plants from Malaysia and other parts of the world can be found here. In addition to attractions such as the explorers' trail, vine garden and palm hill, there is also a gift shop selling environmentally-friendly souvenirs.
Tel: 03 8888 9090

7 MASJID PUTRA (PUTRA MOSQUE)

Located next to Perdana Putra, this is the principal mosque in Putrajaya. Built with rose-tinted granite that gives it its distinctive colour, the mosque can accommodate 15,000 worshippers at one time. An interesting feature of the mosque is the Sahn or courtyard, which is landscaped with decorative water features to provide a soothing feel.

11 SERI WAWASAN BRIDGE

This is one of the main bridges in Putrajaya, connecting Precinct 2 to the residential area of Precinct 8. The design of this cable-stayed bridge resembles a futuristic ship. Spanning 2.4km, this bridge can accommodate motorised traffic, bicycles and pedestrians. Highly visible even from afar, it has become one of the beautiful icons of Putrajaya.

15 ISTANA KEHAKIMAN (PALACE OF JUSTICE)

This imposing and majestic five-storey building houses the nation's Federal Court and Court of Appeal. Its design incorporates classical Islamic and Western design influences, creating an interesting facade. Its expansive courtyard has been the venue of many national events including the Colours of 1 Malaysia cultural extravaganza.

19 PUTRAJAYA EQUESTRIAN PARK

Located in the southeast section of Precinct 5, the park is spread over 70 acres at the edge of the hilltop where the Putrajaya International Convention Centre is perched. Amidst beautiful natural surroundings, the Equestrian Park provides a great environment for riders to hone their horse riding skills. The riding school is open to the public and students of all ages are welcome.

4 ISTANA MELAWATI (MELAWATI PALACE)

Located in Precinct 1, Istana Melawati is the second national palace of the King and Queen and serves as their royal retreat. Sporting a resort concept, the palace features three tall towers, inspired by the towers found in medieval Malay palaces. Three tiered roofs with intricate eaves also pay homage to traditional Malay roof designs.

8 DATARAN PUTRA (PUTRA SQUARE)

Dataran Putra or Putra Square is located opposite Perdana Putra. It is the venue of national-level celebrations and festivals including the Malaysian Independence Day parade. The square is actually two concentric plazas, divided into star-shaped segments that represent the states in Malaysia. An interplay of paths, water channels, flower beds and trees makes the square a picturesque stop for visitors.

12 TAMAN WARISAN PERTANIAN (AGRICULTURE HERITAGE PARK)

Located in Precinct 16, this park showcases Malaysia's commercial crops as well as agricultural practices. More than 170 different types of trees and plants can be viewed, including rubber, oil palm, cocoa, pepper, fruits, herbs and spices. Visitors can learn all about rubber planting and processing, and sample fruits from the orchard.
Tel: 03 8888 0099

16 SERI SAUJANA BRIDGE

This is another premier bridge in Putrajaya, connecting Precinct 4 to Precinct 7. This cable-stayed arch bridge has been designed to reflect a transparent, elegant and futuristic structure. With an overall single span of 3km, it is an awesome sight to behold, both day and night.

20 PUTRAJAYA INTERNATIONAL CONVENTION CENTRE (PICC)

Putrajaya International Convention Centre is Malaysia's largest convention centre. It features a unique design, based on the eye of Pending Perak or Malay royal belt buckle. Taking up an area of 135,000sq m, this impressive convention centre has more than 49 halls and event can accommodate more than 12,000 people.
